Why Edgewater?

Our homes come with several features designed to ensure maximum strength, rigidity, and energy efficiency. These features include:

- Home framing at 16" O/C throughout including garage for added strength
- Exterior walls and roof has 7/16 " sheeting for increased rigidity
- Pink wood heavy duty floor system throughout
- Latest Sprayfoam insulation technology
- Iko dynasty premium performance shingles
- Tyvek exterior high performance home membrane system
- Engineered steel support brackets under concrete walkways
- This model can be built with a double or triple garage (depending on lot size)

Basement Suite Development
